

Partnership for the Lower Middle Market

Vesterra Capital Partners is a lower middle market investment firm focused on control investments in the services economy, partnering with companies across business & infrastructure, healthcare, and consumer sectors. Founded in 2000, Vesterra partners with founders, family owners, and operators who are ready for their next stage of growth. The firm works side by side with management teams providing practical support, targeted resources, and strategic guidance shaped around each business. Headquartered in West Palm Beach, Florida, Vesterra manages approximately \$1.9 billion in assets.
